

# SAFETY DATA SHEET

Created date : 16 January 2025

## 1 Chemical product and company identification

- Product Name WATER COLOURS (HARDEN)
- Company Name KUSAKABE CORPOLATION
- Address 3-3-8 Hizaori-cho, Asaka City Saitama Japan 351-0014
- Telephone number +81-48-466-7321
- Facsimile number +81-48-465-3058

## 2 Hazards identification

- GHS classification
  - Physical hazards Not classified
  - Health hazard Not classified
  - Environmental hazard Not classified

- GHS label elements

Pictograms

Signal word

Hazard statements

- Precautionary statements

Prevention

Do not handle until all safety precautions have been read and understood.

Wash skin thoroughly after handling

Do not eat, drink or smoke when using this product.

Response

If swallowed: Immediately call a doctor.

Do not induce vomiting.

If in eye: immediately wash with plenty of water. Remove contact lenses. Continue washing afterwards and receive treatment for the doctor.

If on skin: Wash with plenty of soap and water.

Avoid release to the environment.

If inhaled: move injured person into fresh air and keep person calm under observation.

Get medical advice/attention if you feel unwell.

If on skin(or hair): Take off immediately all contaminated clothing.

Rinse skin with water/shower.

If skin irritation or rash occurs: Get medical advice/attention.

In case of fire: Use effective extinguishant for extinction.

Collect spillage.

Storage

Protect from sunlight. Store in a well-ventilated place.

Seal the container which opened by all means once.

Disposal

Dispose contents/container to in accordance with local/regional/national/international regulation.

## 3 Composition/Information on ingredients

- Substance or Mixture Mixture
- Hazardous ingredients Not applicable

<hr/>	
8 Exposure controls/Personal protection	
• Facilities measures	When Myst occurs, become the sealing up of the outbreak source or establish the exhaust.

- Protective equipment
  - Respiratory protection It is not necessary, but wears gas masks (organic gas use) as needed.
  - Hand protection It is not necessary, but wears protection gloves-resistant as needed.
  - Eye protection It is not necessary, but wears protection glasses as needed.
  - SKIN and body protection It is not necessary, but wears personal protective clothing, protective surfaces as needed.
- Hygienic measures
  - Wash skin thoroughly after handling
  - Do not eat, drink or smoke when using this product.

#### 9 Physical and chemical properties

- Physical state Solid
- Odor Odorless
- Flash point (°C) -
- Solubility
  - water Soluble

#### 10 Stability and reactivity

- Stability Stable under normal handling condition.

#### 11 Toxicological information

Not classified

#### 12 Ecological Information

Not classified

#### 13 Disposal attention

- Residual contents Dispose of in accordance with local regulations.
- Contaminated containers and packaging
  - The container wash and recycles, or take an appropriate step according to the standard of the law concerned and the local government.
  - When discard an empty container, completely remove contents in contents.

#### 14 Transport Information

- UN classification
- UN No. N/A
- Proper Shipping Name
- Transport Hazard Classes
- Packing group

#### 15 Regulatory Information

Comply with applicable laws and regulations.

#### 16 Other Information
